

Natural painkillers

Bradford, Nikki, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=9999920552037&lokasi=lokal>

Abstrak

From arthritis to mouth ulcers, headache to toothache, this handy guide concentrates on the most commonly occurring aches and pains and what can be done to soothe them. A range of treatments to use at home that can ease the pain until the doctor's surgery opens are detailed.
