

Leading organizational development and change: Principles and contextual perspectives

Singh, Riann, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=9999920553329&lokasi=lokal>

Abstrak

This textbook covers the fundamentals of organizational development and change (ODC) theory while offering a comprehensive, structured, and systematic approach to guide change management strategies at the organization level. It provides an in-depth understanding of and the tools necessary for designing, diagnosing, implementing and evaluating organizational change interventions. Students will be exposed to case studies in ODC from selected international and Caribbean/Latin American organizations, demonstrating ODC in practice across a broad geographical context. This textbook, the first to offer a macro-level perspective of ODC, provides students with the tools needed to be successful in implementing change into today's organizations.
