

The Face-Lift Sourcebook

Henry, Kimberly A, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=9999920578393&lokasi=lokal>

Abstrak

In 1999, more than 80,000 people (90 percent women) underwent face-lift procedures. With compassionate insights from her own face-lift, as well as dozens of before-and-after photos of patients, Dr. Henry explains what surgery can realistically accomplish, average costs, what to expect during recovery, and how to find the right surgeon.
