

## The Japanese Way of Beauty: Natural Beauty and Health Secrets

Leigh, Michelle Dominique, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=9999920579651&lokasi=lokal>

---

### Abstrak

Utilizing widely available plants, grains, vegetables and other natural ingredients, here are more than 100 "recipes" for skin and hair care, culled from ancient Japanese formulas, and designed to evoke the mood and spirit of Japan, with its particular attention to the inner and outer harmony of body and mind. Illustrated throughout.
