Nama : Dian Maruli Tua Pohan  
Program Studi : Magister Manajemen  
Judul : PENGARUH LABA BERSIH, DIVIDEN, PENDANAAN,  
DAN INVESTASI TERHADAP NILAI PERUSAHAAN

Tesis ini membahas pengaruh laba bersih, dividen, pendanaan dan investasi terhadap nilai perusahaan. Penelitian ini menggunakan metode studi pustaka dengan pengolahan data menggunakan *Structural Equation Model* (SEM). Hasil penelitian menunjukkan bahwa laba bersih berpengaruh tidak signifikan terhadap dividen dan juga hutang berpengaruh secara tidak signifikan terhadap investasi secara konsisten sepanjang periode penelitian. Sedangkan dividen terhadap laba ditahan; laba ditahan terhadap hutang; laba ditahan terhadap investasi; dan investasi terhadap nilai perusahaan hasilnya tidak konsisten sepanjang periode penelitian.

Kata kunci:

Laba bersih, dividen, pendanaan, investasi dan nilai perusahaan

## ABSTRACT

Name : Dian Maruli Tua Pohan  
Study Program : Master of Management  
Title : THE EFFECT OF NET INCOME, DIVIDEND, FINANCING,  
AND INVESTMENT TOWARD VALUE OF THE FIRM

This study focuses on the effect of net income, dividend, financing, and investment toward value of the firm. Literature study method and Structural Equation Model (SEM) as data processing method are applied in this study. This research reveal that net income is consistently not significant affected dividend as well debt toward investment along the research period. Whereas the effect of dividend toward retained earning; retained earning toward debt; retained earning toward investment; and investment toward value of the firm result all differently along the research period.

Keywords:

Net Income, dividend, financing, investment, and value of the firm
