Nama : Yunita Kusumaningsih
Program Studi : Magister Perencanaan dan Kebijakan Publik
Judul : Faktor-faktor Utama Yang Berpengaruh Terhadap Prestasi Belajar Mahasiswa Pascasarjana Penerima Beasiswa S2 Dalam Negeri BPK-RI

Penelitian ini bertujuan untuk mengetahui faktor-faktor utama yang mempengaruhi prestasi belajar penerima beasiswa program S2 dalam negeri BPK-RI. Metode yang digunakan adalah regresi linier berganda dengan menggunakan 14 variabel independen yaitu nilai TPA, TOEFL, IPK S1, pengalaman kerja, usia, latar belakang pendidikan, jenis kelamin, motivasi belajar, kehadiran, faktor kondisi keluarga (status perkawinan dan jumlah anak) dan kondisi ekonomi (pekerjaan pasangan, kecukupan penghasilan dan pekerjaan sampingan). Hasil penelitian menunjukkan bahwa terdapat tiga faktor yang berpengaruh signifikan terhadap prestasi belajar penerima beasiswa program S2 dalam negeri BPK-RI, yaitu IPK S1, pengalaman kerja dan nilai TPA.

Kata Kunci: Prestasi Belajar Mahasiswa Pascasarjana, Kecerdasan Akademis, Motivasi Belajar, Persyaratan Seleksi Beasiswa.

ABSTRACT

Title : Determinant Factors of Postgraduate Students's Academic Achievement Receiving BPK-RI's Domestic Scholarship

The objective of this study is to examine determinant factors of postgraduate student's academic achievement who received BPK-RI's domestic scholarship. Method of analysis used in this study is multiple linear regression with 14 independent variables, including grade of TPA, TOEFL, Undergraduate Grade Point Average (UGPA), working experience, age, educational background, gender, learning motivation, attendance, family condition (marital status and number of children) and economic condition (spouse's working status, income sufficiency and part time work). The result shows that only three factors that significantly affect postgraduate student's academic achievement, namely UGPA, working experience, and grade of TPA.

Key words: Postgraduate Student's Academic Achievement, Academic Aptitude, Learning Motivation, Scholarship's Selection Requirements.
