

## ABSTRAK

Nama : Safari Ar Rizqi  
Program Studi: Pascasarjana Hubungan Internasional  
Judul : Penyebab Lambatnya Penetapan *Mutual Recognition Arrangement* Jasa ASEAN (1995-2005)

Tesis ini membahas mengenai penyebab lambatnya penetapan *Mutual Recognition Arrangement* Jasa ASEAN dengan menggunakan pendekatan neorealis. Berdasarkan pendekatan neorealis, diketahui bahwa penyebab lambatnya penetapan *Mutual Recognition Arrangement* Jasa ASEAN adalah karakteristik kerjasama negara-negara ASEAN yaitu adanya pertimbangan mereka terhadap *relative gain*. Dan pertimbangan mereka terhadap *relative gain* tercermin dari komitmen-komitmen mereka dalam Paket-Paket Skedul Komitmen *ASEAN Framework Agreement on Services* (AFAS).

Kata Kunci:

Neorealis, *Relative Gain*, *ASEAN Mutual Recognition Arrangement on Services*.

## ABSTRACT

Name : Safari Ar Rizqi  
Study Program : International Relations Postgraduate  
Thesis Title : The Cause of The ASEAN Services Mutual Recognition  
Arrangement Late Establishment (1995-2005)

This thesis research is trying to define the cause of the ASEAN Services Mutual Recognition Arrangement (MRA) Late Establishment. And theoretical framework used to define this research problem is Neorealist Theoretical Framework. From Neorealist Theoretical Framework we know that the cause of the ASEAN Services MRA late establishment is relative gain concern of each ASEAN members which reflect from their commitments within packages of ASEAN Framework Agreement on Services (AFAS) commitments.

Keywords:

Neorealis, Relative Gains, ASEAN Mutual RecognitionArrangement on Services.
