

ToBa Dreams: sebuah novel

Silalahi, T.B., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20408539&lokasi=lokal>

Abstrak

Nunik Kartikarini (Reveiws). Quite good storyline and character development, but its climax feels bland, especially when readers count on its slow development. The movie is much better than its novel, though. This novel have some plot (Nunik). Hole that cant be ignored once readers guessing the ending.

This story is an example when father-son relationships turn sour. An excellent writing start for a retired general. Kudos
