### **Abstrak**

We make proper grateful because including becoming the part of a State which exuberant properties of natural resources, including various resource type of energy like gas and oil (Migas). Role of Migas in national development during the time really do not in doubting of again. Not only as source of energy in Country, but also share to become the source of acceptance of State and Foreign exchange. and also industrial raw material [of] National. Till this five the last year of atonal migas subsection of acceptance in energy equal to flattening - flatten 33,55 %. But, during ten the last year, Indonesia crude oil export of degradation although small that is flattening equal to 3,8 % per year. Natural Oil Indonesia production of degradation far below Volume which targeting in APBN. To overcome degradation of Indonesia oil production, need conducting activity of exploration and also invite investor to inculcate the investment of area of migas. So that enthusiastic investor hence needing in creating investment climate which is contusive. Section 33 Invitor - Elementary Invitor 1945, where clearly arranging in section 4 that gas and oil as strategic natural resources isn't it which consist in Indonesia mining right region is properties of National which mastering State. With the of Invitor No 22 Year 2001 concerning Gas and oil, officially oil business activity and gas shall no longer at UU No. 44 Prp Year 1960 concerning mining of gas and oil and of UU No.8 Year 1971 About Company Of Mine Gas and oil Public Ownership. As according to Invitor trust - Invite Migas Number 22 Year 2001 and Regulation of Government of No. 42 Year 2002, observation and Production Sharing Contract (KKS) or previous sharing holder contract in executing by PT. Pertamina (Persero) change over to BP Migas. Contract Work. Production Sharing Contract in activity of enabled production and explorers do not only limited to form of Production Sharing Contract, but enabled also in the form of other Production Sharing Contract which more beneficial of state.
