

Migration and transformation: multi-level analysis of migrant transnationalism

Pirkko Pitkänen

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20400419&lokasi=lokal>

Abstrak

The chapters show that people's transnational linkages and migration across national boundaries entail manifold political, economic, social, cultural and educational implications. Although political-social-economic-educational transformations fostered by migrant transnationalism constitute the main topic of the book, the starting assumption is that the large-scale institutional and actor-centred patterns of transformation come about through a constellation of parallel processes.
