Abstrak

Interprofessional Rehabilitation: a Person-Centred Approach is a concise and readable introduction to the principles and practice of a person-centred interprofessional approach to rehabilitation, based upon a firm scientific evidence base. Written by a multi-contributor team of specialists in physiotherapy, occupational therapy, nursing, psychology and rehabilitation medicine, this text draws together common themes that cut across the different professional groups and the spectrum of health conditions requiring rehabilitation, and sets out a model of practice that is tailored to the specific ne
