### Abstrak

Laporan magang ini ditulis dengan tiga tujuan. Pertama untuk menerapkan prosedur valuasi bisnis menurut PT XYZ Indonesia Advisory. Tujuan selanjutnya adalah menganalisis kesesuaian prosedur valuasi bisnis PT XYZ Indonesia Advisory dengan konsep dan teori valuasi bisnis. Selain dua tujuan sebelumnya, tujuan terakhir adalah pengembangan pribadi dan profesional penulis dengan menyusun laporan refleksi diri berdasarkan pengalaman magang di PT XYZ Indonesia Advisory. Berdasarkan kerangka teori, hasil analisis menunjukkan bahwa prosedur valuasi bisnis pada PT XYZ Indonesia Advisory telah sesuai dengan teori. Namun, dalam proses implementasi, banyak prosedur harus dilakukan dengan lebih mendalam, teliti, dan komprehensif. Selain itu, berdasarkan pengalaman magang yang dilakukan selama tiga bulan di PT XYZ Indonesia Advisory, penulis belajar berbagai macam hal baik yang berhubungan langsung dengan pekerjaan dan yang tidak berhubungan langsung dengan pekerjaan atau soft skills, yang akan bermanfaat bagi penulis di masa depan.

.....There are three purposes for writing this internship report. First is to apply business valuation procedures according to PT XYZ Indonesia Advisory. Next purpose is to analyze the suitability of PT XYZ Indonesia Advisory's business valuation procedures with business valuation concepts and theories. In addition to the two preceding purposes, the third one is related to the author's personal and professional development by composing a self-reflection report based on internship experiences at PT XYZ Indonesia Advisory. Based on the theoretical framework, the result of the analysis shows that the business valuation procedures at PT XYZ Indonesia Advisory are in accordance with the theory. However, in the implementation process, many procedures had to be carried out more thoroughly, rigorously, and comprehensively. Finally, based on the internship experiences carried out for three months at PT XYZ Indonesia Advisory, the author learned various kinds of good things directly or indirectly related to work or soft skills, which would benefit the author in the future.
