Abstrak

Sebagai BUMN Bidang perasuransian PT Jasa Raharja (Persero) diwajibkan menerapkan Good Corporate Governance (GCG) secara konsisten dan dijadikan landasan operasionalnya. Penelitian ini bertujuan untuk mengevaluasi penerapan CG di perusahaan dengan meneliti tindak lanjut atas rekomendasi self assessment dan dengan menggunakan ASEAN Corporate Governance Scorecard yang merupakan instrumen penilaian CG bagi perusahaan terbuka di ASEAN. Metode yang digunakan adalah deskriptif kualitatif. Hasilnya diperoleh bahwa perusahaan telah menerapkan GCG secara terstruktur yang dibuktikan dengan beberapa implementasi terbaik. Salah satu dampak yang timbul dalam menindaklanjuti rekomendasi mungkin akan lebih menyempurnakan soft structure dan infrastructure sehingga penerapan GCG dapat diimplementasikan secara komprehensif

<hr>

As a state-owned insurance company, PT Jasa Raharja (Persero) is obliged to implement GCG consistently as a guideline for operational procedure. This thesis aims to evaluate the implementation of CG in the company by examining the follow up of self-assessments recommendations and by employing ASEAN Corporate Governance Scorecard which is an instrument to assess corporate governance practice of publicly listed companies in ASEAN countries. This thesis employs descriptive qualitative method. The result shows that the company has structurally implemented GCG, this can be concluded by comparing the CG implementation in PT Jasa Raharja (Persero) with some of the best CG practices. In addition, when the CG recommendation is acted upon, it may lead to other impacts, such as the betterment of soft structure and infrastucture. As a result, GCG can be implemented in a comprehensive manner
