

Judul:

Energy beam-solid interactions and transient thermal processing :
symposium held November 1983 in Boston, Massachusetts, U.S.A.

Pengarang/Penulis:

Subjek:

Materials--Effect of radiation on--Congresses; Semiconductors--effect of
radiation on--Congresses; Annealing of crystals--Congresses; Integrated
circuits--Congresses

Nomor Panggil:

620.1 ENE

Penerbitan:

North-Holland
