

Judul:

Alogaritma paralel regularized markov clustering pada jaringan interaksi protein-protein menggunakan format data sparse ELLPACK-R = Balanced and scalable markov clustering of protein interaction networks using ELLPACK-R sparse data format on GPU computing parallel regularized markov clustering algorithm on protein-protein interaction networks using ELLPACK-R sparse data format

Pengarang/Penulis:

Umbu Maramba Mesa, author

Subjek:

Mathematics

Nomor Panggil:

S42628

Penerbitan:

Universitas Indonesia
