

***Judul:***

Effect of Mg<sup>2+</sup> and Fe<sup>2+</sup> Concentrations in Culture Medium on CGF Formation from Microalgae *Chlorella pyrenoidosa* Ink and Analysis of Amino Acids by Liquid Chromatography-Mass Spectrometry

***Pengarang/Penulis:***

***Subjek:***

Chemistry, Analytic--Data processing

***Nomor Panggil:***

pdf

***Penerbitan:***

LIPI. Research Center for Biotechnology
