

***Judul:***

Penilaian keefisienan penggantian motor induksi industri pengolahan garam dengan metode LCC (Life Cycle Cost) = Replacement of the induction motors with efficiency assessment using life Cycle cost method

***Pengarang/Penulis:***

Sri Wijoyo Mahardhiko, author

***Subjek:***

Electric motors, induction; Cost effectiveness; Engineering economy; Cost control; Product life cycle

***Nomor Panggil:***

S65283

***Penerbitan:***
