

Judul:

Pengembangan uji serologi igm antibody-capture enzyme linked immunosorbent assay mac elisa untuk virus japanese encephalitis strain nakayama dan virus chikungunya isolat csb04010 = Development of igm antibody-capture enzyme linked immunosorbent assay mac elisa for japanese encephalitis virus strain nakayama and chikungunya virus isolate csb04010 / Aghnianditya Kresno Dewantari

Pengarang/Penulis:

Aghnianditya Kresno Dewantari, author

Subjek:

Virology; Japanese B encephalitis

Nomor Panggil:

S65193

Penerbitan:
