

***Judul:***

Validasi metode analisis lerkanidipin dalam plasma in vitro secara kromatografi cair kinerja ultra tinggi-tandem spektrometri massa = Validation of lercanidipine in human plasma by ultra performance liquid chromatography mass spectrometry

***Pengarang/Penulis:***

Norma Andriyani, author

***Subjek:***

Tandem mass spectrometry; Liquid chromatography; Hypotensive agents; Antihypertensive agents -- Therapeutic use; Hypertension -- Drug therapy

***Nomor Panggil:***

S65170

***Penerbitan:***
