

Judul:

Validasi metode analisis esomeprazol dalam plasma in vitro secara kromatografi cair kinerja tinggi photodiode array = Validation of esomeprazole in human plasma by high performance liquid chromatography photodiode array

Pengarang/Penulis:

Ahmad Erik Baskara, author

Subjek:

Esomeprazole -- Therapeutic use; Esomeprazole -- Pharmacology; Proton pump inhibitors; Antacids; Human -- effects of -- Drugs

Nomor Panggil:

S64258

Penerbitan:
