

Judul:

Efek neurotrophin-3 pada diferensiasi neural sel punca mesenkim sumsum tulang tikus: kajian imunositokimia dengan penanda nestin dan microtubule associated protein-2 = Effect of neurotrophin 3 on neural differentiation of mesenchymal stem cells of rat's bone marrow: immunocytochemistry studies using nestin and microtubule associated protein 2 markers / Ariyani Noviantari

Pengarang/Penulis:

Ariyani Noviantari, author

Subjek:

Nervous system -- Degeneration; Mesenchymal stem cells; Immunocytochemistry

Nomor Panggil:

T55613

Penerbitan:
