

**Judul:**

Primal-dual interior-point methods

**Pengarang/Penulis:**

Wright, Stephen J., 1960- , author

**Subjek:**

Interior-point methods; Linear programming; Mathematical optimization; Primal-dual interior-point methods; Path-following algorithms; Potential-reduction algorithms; Infeasible-interior-point algorithms; Superlinear convergence; Finite termination

**Nomor Panggil:**

e20451208

**Penerbitan:**

Society for Industrial and Applied Mathematics
