

***Judul:***

Natural convective heat transfer of cobalt-kerosene nanofluid inside a quarter-circular enclosure with uniform and Non-uniform heated bottom wall sing two-component nonhomogeneous model /  
Md. Shariful Alam

***Pengarang/Penulis:***

Md. Shariful Alam, author

***Subjek:***

Nanofluids ; Brownian motion processes ; Finite element method.

***Nomor Panggil:***

500 TIJST 22:1 (2017)

***Penerbitan:***

Jagannath University. Department of Mathematics
