

Judul:

Catalytic cracking hasil reaksi transesterifikasi minyak nyamplung menjadi biofuel menggunakan katalis $\text{b}_2\text{o}_3/\text{al}_2\text{o}_3$ = Biofuel production from transesterification reaction product of nyamplung oil using catalytic process with b_2o_3 al_2o_3 catalyst

Pengarang/Penulis:

Harahap, Sahala, author

Subjek:

Catalytic reforming -- Equipment and supplies -- Corrosion.

Nomor Panggil:

T48701

Penerbitan:
