

***Judul:***

Analisis pore pressure pada reservoir karbonat lapangan "x" dengan analisa terpadu differential effective medium (DEM) dan fluid replacement model (FRM) = Pore pressure analysis in carbonate reservoir on "x" field by integrating differential effective medium and fluid replacement model (FRM)

***Pengarang/Penulis:***

Muhammad Ravdi Hirzan, author

***Subjek:***

Reservoir oil pressure; Drilling platforms

***Nomor Panggil:***

S67794

***Penerbitan:***

Universitas Indonesia
