

Judul:

Co-surfactant polyethylene glycol mono-oleate in the formulation of natural based-surfactant for chemical EOR = Surfaktan pendamping polietilen glikol mono-oleat pada formulasi surfaktan berbasis nabati untuk injeksi kimia EOR

Pengarang/Penulis:

Subjek:

Chemistry, Analytic; Surfactant science series; Research science

Nomor Panggil:

620 SCI 40:1 (2017)

Penerbitan:

LEMIGAS Research and Development Centre for Oil and Gas Technology
Affiliation and Publication Division
