

Judul:

Profil farmakokinetika dan incurred sample stability esomeprazol dalam plasma enam subjek sehat secara kromatografi cair kinerja tinggi-photodiode array = Pharmacokinetic profile and incurred sample stability of esomeprazole in plasma from six healthy subjects using high performance liquid chromatography-photodiode array

Pengarang/Penulis:

Ahmad Faris, author

Subjek:

Pharmacokinetics; Esomeprazole; Liquid chromatography; Photodiodes

Nomor Panggil:

S-Pdf

Penerbitan:
