

Judul:

Evaluasi perbandingan berbagai metode mitigasi interest flooding attack pada jaringan named data networking menggunakan topologi jaringan rocketfuel = Performance comparison of various interest flooding attack mitigation methods on named data networking networks using rocketfuel topology / Marion Renaldo Rotensulu

Pengarang/Penulis:

Marion Renaldo Rotensulu, author

Subjek:

Networks on a chip -- Design and construction; Named Data Networking; Interest Flooding Attack

Nomor Panggil:

T50639

Penerbitan:
