

Title:

Penentuan difusivitas minyak nabati dengan pengolahan citra pembelokan laser oleh gradien indeks bias-metode wiener = Determination of vegetable oil diffusivity using image processing of laser beam deflection by refraction index gradient-wiener method

Author:

Mohamad Aman, author

Subject:

Vegetable oils as fuel; Laser beams--Scattering.

Call Number:

T52441

Publisher:

Fakultas Matematika dan Ilmu Pengetahuan Alam Universitas Indonesia
