

Title:

Sintesis turunan 1,4-dihidropiridin dengan variasi prekursor aldehida aromatik menggunakan katalis NiFe₂O₄ MNPs serta uji aktivitasnya sebagai antioksidan = Synthesis of 1.4-dihydropyridine derivatives with various aromatic aldehyde precursors using NiFe₂O₄ MNPs catalysts and evaluation of their antioxidant activity

Author:

Yuni Syafitri, author

Subject:

Dihydropyridine; Aldehydes; Antioxidants

Call Number:

S-Pdf
