

Judul:

Uji coba metode identifikasi Single Nucleotide Polymorphisms (SNP) rs434 pada gen Angiotensin Converting Enzyme (ACE) menggunakan rhAmp SNP genotyping system = Trial of Single Nucleotide Polymorphisms (SNP) rs4343 gen Angiotensin Converting Enzyme (ACE) identification method using rhAmp SNP genotyping system

Pengarang/Penulis:

Shellinna Kurniawati, author

Subjek:

Single nucleotide polymorphisms; Angiotensin converting enzyme

Nomor Panggil:

S-pdf

Penerbitan:

Fakultas Farmasi Universitas Indonesia
