

***Judul:***

Analisis Organoid Hati Berbasis Induced Pluripotent Stem Cells (Ipscs) Secara In Vitro Dan Uji Transplantasi Organoid Hati Berbasis Ipscs Di Kelinci Model Sirosis = Analysis Of Liver Organoids Based On Induced Pluripotent Stem Cells (Ipscs) In Vitro And Transplantation Trial Of Ipsc-Based Liver Organoids In A Rabbit Cirrhosis Model

***Pengarang/Penulis:***

Wahyunia Likhayati S, author

***Subjek:***

Liver--physiology; Liver--Cirrhosis; Stem cells

***Nomor Panggil:***

D-pdf

***Penerbitan:***

Fakultas Kedokteran Universitas Indonesia
