

Judul:

Efek Ekstrak Etanol Centella Asiatica pada Recognition Memory: Kajian Ekspresi -7 Nicotinic Acetylcholine Receptor dan Choline Acetyltransferase Korteks Prefrontal Model Tikus Obes = Effect of Centella asiatica Ethanolic Extract on Recognition memory: Expression of Alpha-7-nicotinic acetylcholine receptor and Choline acetyltransferase in the Prefrontal Cortex of Obese Mouse Models

Pengarang/Penulis:

Harahap, Iqlima Khairiyah Putri, author

Subjek:

Acetylcholine--Receptors; Obesity; Choline--Analysis

Nomor Panggil:

T-pdf

Penerbitan:

Fakultas Kedokteran Universitas Indonesia
