

Judul:

[Perbandingan Diferensiasi Hepatosit antara Induced Pluripotent Stem Cells (iPSC) dengan Mesenchymal Stem Cells (MSC) pada Perancah Biologis Hati In Vitro = The Comparison of in vitro Hepatocyte Differentiation between Induced Pluripotent Stem Cells (iPSC) and Mesenchymal Stem Cells (MSC) on Decellularized Liver Scaffold; Dualitas Reaksi Sosial Informal kepada Penyintas Kekerasan Seksual yang Speak Up di Twitter: Keadilan Alternatif dan Reviktimisasi = Duality of Informal Social Reactions to Sexual Violence Survivors who Speak Up on Twitter: Alternative Justice and Revictimization; Dualitas Reaksi Sosial Informal kepada Penyintas Kekerasan Seksual yang Speak Up di Twitter: Keadilan Alternatif dan Reviktimisasi = Duality of Informal Social Reactions to Sexual Violence Survivors who Speak Up on Twitter: Alternative Justice and Revictimization; Dualitas Reaksi Sosial Informal kepada Penyintas Kekerasan Seksual yang Speak Up di Twitter: Keadilan Alternatif dan Reviktimisasi = Duality of Informal Social Reactions to Sexual Violence Survivors who Speak Up on Twitter: Alternative Justice and Revictimization, Dualitas Reaksi Sosial Informal kepada Penyintas Kekerasan Seksual yang Speak Up di Twitter: Keadilan Alternatif dan Reviktimisasi = Duality of Informal Social Reactions to Sexual Violence Survivors who Speak Up on Twitter: Alternative Justice and Revictimization]

Pengarang/Penulis:

Adrian Pragiwaksana, author

Subjek:

Decellularization; Hepatocyte differentiation; iPSC; MSC; Native liver scaffold

Nomor Panggil:

T-pdf

Penerbitan:

Fakultas Kedokteran Universitas Indonesia
